

## The Southwestern Ohio / Northern Kentucky Square Dancers Federation, Inc

The SO/NKSDF was formed to provide dance leadership in the Greater Cincinnati and Northern Kentucky area. Over the past 40+ years, SO/NKSDF has provided special dances and has hosted the Annual Ronald McDonald House Benefit Dance every year.

### Celebrate "National Square Dance Month"

September is designated National Square Dance Month throughout the World. Beginner Classes start each year to give people the opportunity to learn our "American Folk Dance."

Are you interested in learning to Square Dance or Round Dance?

If you have been out of dancing for a while, Come back and join the fun.

## A Glossary of Square Dance Terms

**SQUARE DANCING** – Four couples dancing in a square formation, using choreographed routines to various arrangements of music.

**BALLROOM/ROUND DANCING** - Couples dancing in a circle formation, using choreographed routines and ballroom steps to a definite arrangement of music.

**CLOGGING** - A dancing style originating in Appalachia, with synchronized movements of the feet. Clogging is commonly performed in shoes having special taps on them.

**LINE DANCE** - No-partner dances are just that. You can get out onto the floor and have a ball by yourself. No partner is necessary, but there is still a standard pattern to be followed for each dance.

**CONTRA** - Line dancing popularized in New England - Now done with traditional and Square Dance movements.
